Highlights

Protective silicone
This case is made out of soft silicone which adds a layer of grip to your player, while it also protects your device against normal wear and tear.

Multi-pack: Pick your favorite
With a variety of styles to choose from, you can select your favorite for the day, then change it up the next day. Express yourself - match your outfit, your mood, or your player.

Protection in a snap
This case is made from a durable material that is custom made to fit your device perfectly. The case is quick and easy to put on, and adds a layer of protection to your device.

ShockStop
ShockStop protects devices with a walled tri-form construction that dissipates shock. Unlike a solid surface that can conduct vibration, the segmented ShockShock surface pattern interrupts & stops reverberation.
